APPLICATION LETTER

Technical Supervisor — Bakhter Development Network - BDN

To: Hiring Committee, Bakhter Development Network - BDN

SUBJECT

Technical Supervisor

Dear Hiring Committee,

I am writing to apply for the Technical Supervisor position in Takhar, Afghanistan at Bakhter Development Network - BDN.

I understand that the vacancy emphasizes primary healthcare service supervision, patient referral coordination, medicine, stock and medical-supply coordination, supportive supervision and mentorship, health data, HMIS and reporting.

My relevant experience includes:

- Supported communication and coordination between provincial government departments, NGOs, communities, and development partners. (Public Relations & Communications Advisor | Daikundi Governor's Office | Daikundi, Afghanistan (2020-12 – 2021-08))
- Coordinated with Ministry of Public Health representatives, provincial health authorities, and partner organizations. (Medical Doctor / COVID-19 Rapid Response Team Leader | Daikundi Provincial Public Health Directorate | Daikundi, Afghanistan (2020-10 – 2020-12))
- Supervised mobile health and nutrition teams delivering community-based BPHS/EPHS-related services. (Health and Nutrition Supervisor | Action Against Hunger (ACF-International) | Gizab & Sang-e-Takht, Daikundi (2022-02 – 2022-12))
- Maintained accurate HMIS records and served as Safeguarding Focal Point supporting PSEA and child protection. (TFU Medical Doctor & Safeguarding Focal Point | Action Against Hunger (ACF-International) | Sang-e-Takht TFU, Daikundi (2023-05 – 2025-07))

My medical education includes Doctor of Medicine (MD), Curative Medicine — Kabul Medical Science University — 2013 — 2020.

I also meet the professional medical registration/license requirement stated for the role.

My verified language profile is Dari/Persian — Native, English — Fluent, Pashto — Intermediate.

I would welcome the opportunity to discuss how my experience can support your health program and the communities served by this position.

Sincerely,

Allah Yar Frotan
